

Dear Skip,

Mike has had 6 months clean as of the 18th, and appears to be doing well. He goes to at least 9 meetings a week and has made some really good, clean friends. Mike graduated from high school in June which was a great accomplishment, and he is now holding down a job.

I can never thank you enough for giving me the education and guidance that I needed to face what was to come. May God Bless you Skip, and everyone at New Life.

Love,

Mary & Bill
